Amended NCR

- Technical Comm

• toe rail language is being worked on

• may resurrect self-tailoring halvard winch

• Toppa working on jib window

• W. Bemus gave position of L/C →

even if the class approved self tailors

there are not any on the market that

aren't 3" or not feared

Jan - Boat Registry

- wish list via Ted
- go through list by fleet and update

Sec Request →

list of paid boats for registry, please send w/

- Foundation -

- hoping to have up to speed by June
- still need funds to work on
- got a trailer on the west coast from Jerry → thank you
- currently I'm Monterey; 1 EYC; 1 @ Ken's - planning on fixing → mystic had an interest - no report, we have 89 Rich working on. Also boat in Mattapoisette
- thank you to donors

OGLC → want 12-15 available boats

2025 Need more lowers

S. Mettler making 219 available

Boat from Marson

- NOR is out -

OGLC 2026 - Jerry

looking @ April next year

Jerry will give SCA options

Natl 2026

Matt + Co Chair

Should have nailed down by next meeting

Natl 2027

- Ron -

New business

- April 23rd 6-8pm Dave Perry - Rules change proposing that national class split the cost \$500 each fleet 9 + class
